THE PATRIOT

1974

If we cannot end now our differences, at least we can help make the world safe for diversity. For in the final analysis, our most basic common link is that we all inhabit this small planet.

We all breathe the same air. We all cherish our children's future. And we are all mortal.

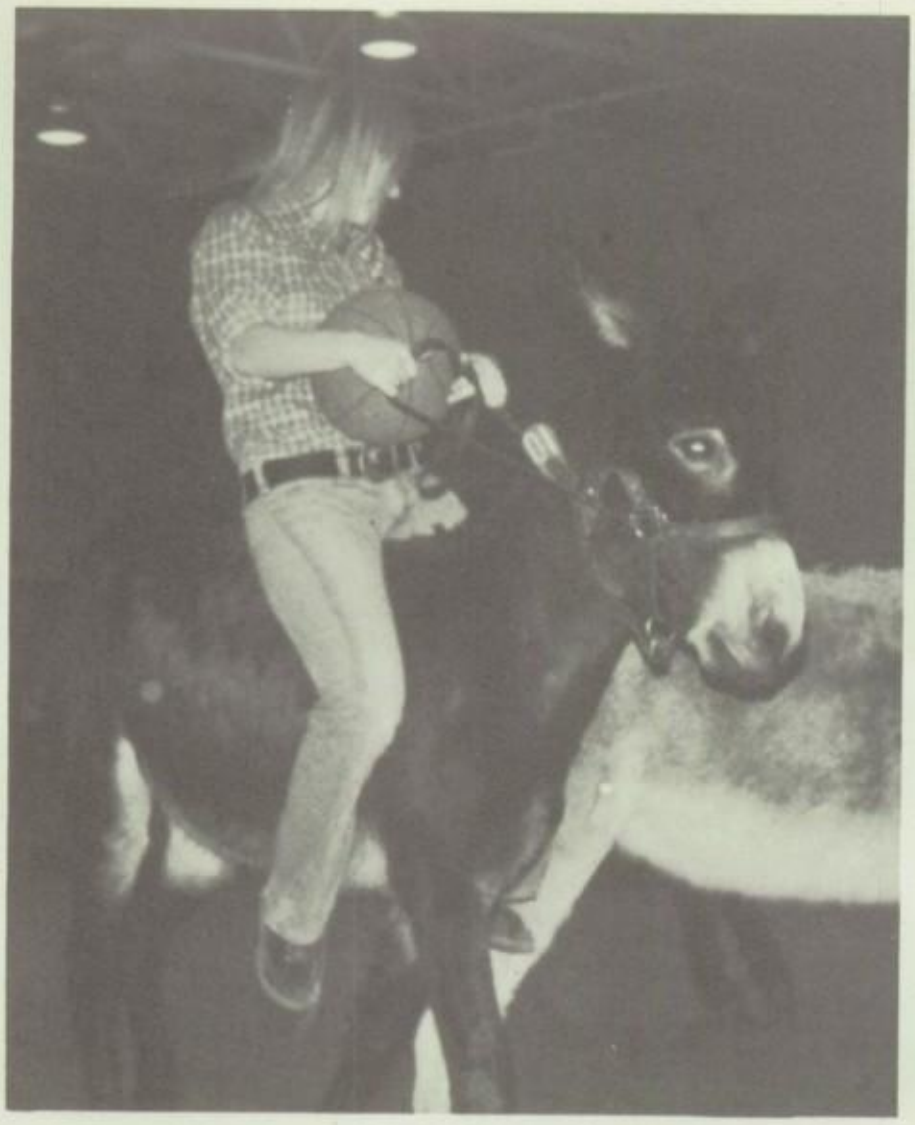
THE CRITICAL REVIEW

Despite the superhuman strength demonstrated by the grace of the male faculty, the hockey team faithfully displayed the showmanship of a truly championship team. The only successful goal scored was a touchdown by captain Tavormina. Due to the fact that holding the ball is an illegal move, the goal was disqualified. The game ended in a victory for the girls, who won by an exasperating score of 3-0 over the male faculty.

Surely, a case of brain vs. brawn

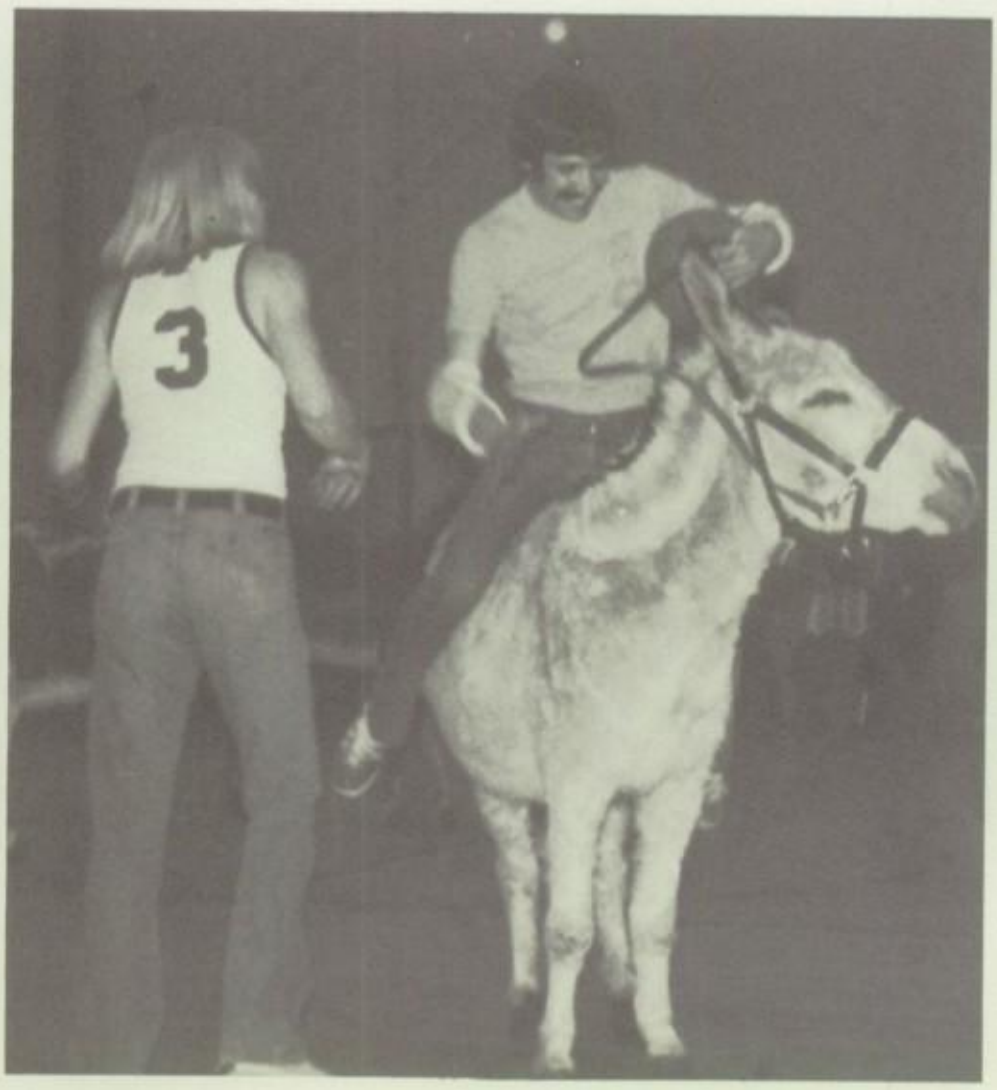
Thė Seniors vs. the Faculty in Donkey Basketball



Doesn't he look sincere?

And Daring Donald DeHaven comes truckin' right along.

Hi. I'd like you to meet my good friend, Dynamite.



Let's go! Get the lead out!

Where'd he go?

Note: Judging by the final score of 26-26, it is safe to speculate that the donkeys found both teams to be equally compatible to them.

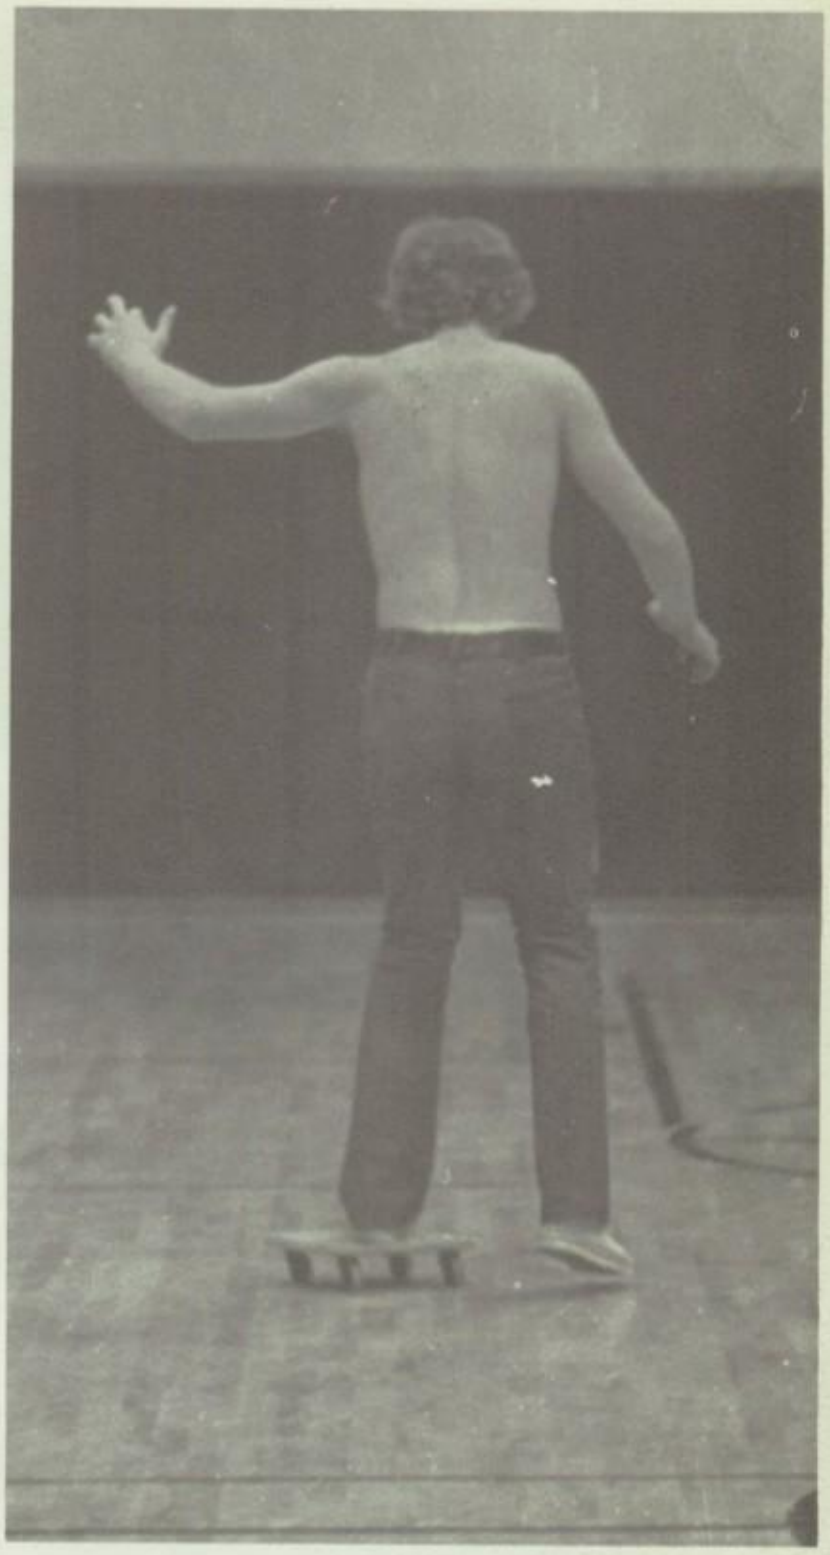
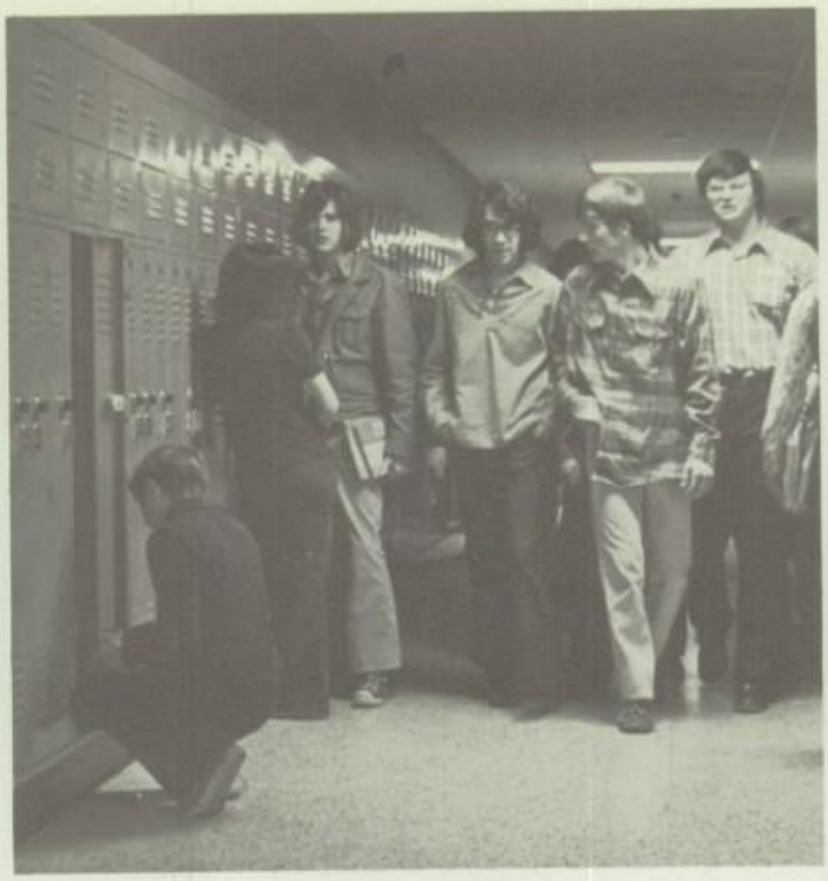
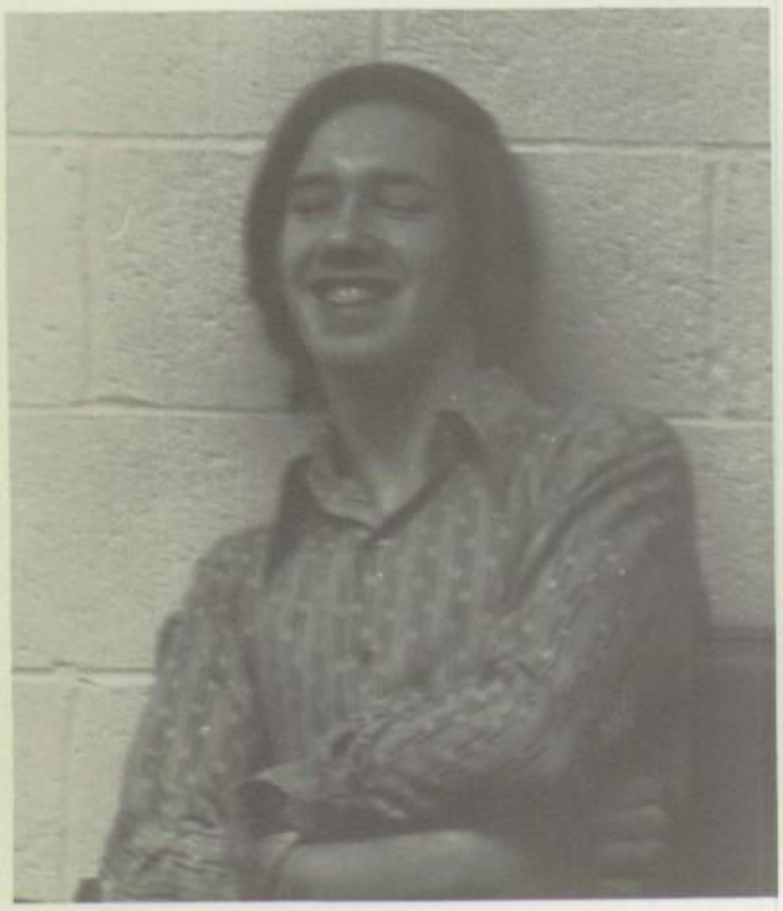
You Dirty imperialistic American!!



I can't find Blairstown!

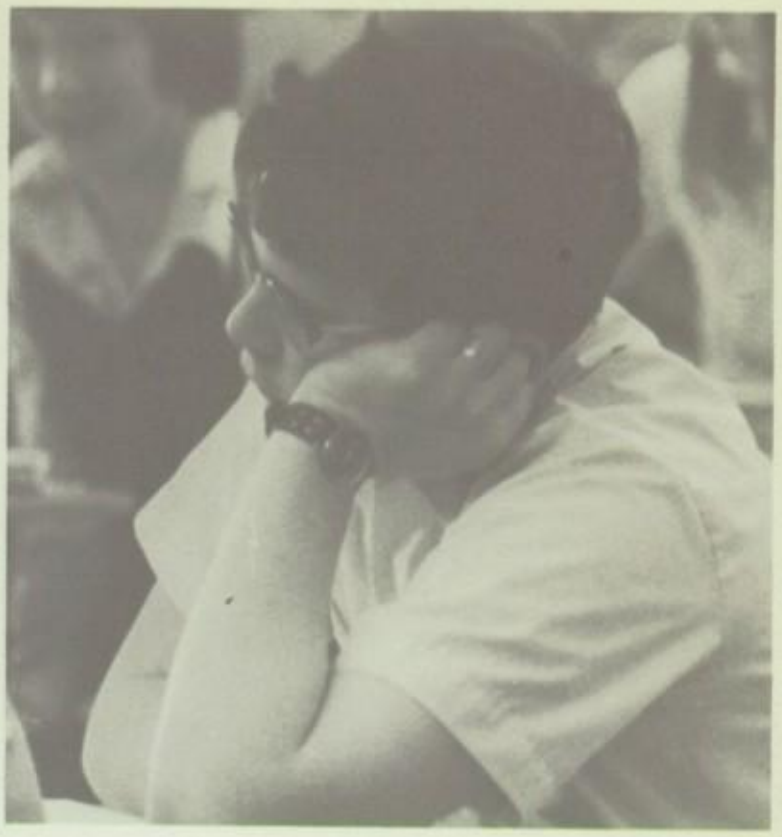
I think I goofed somewhere.





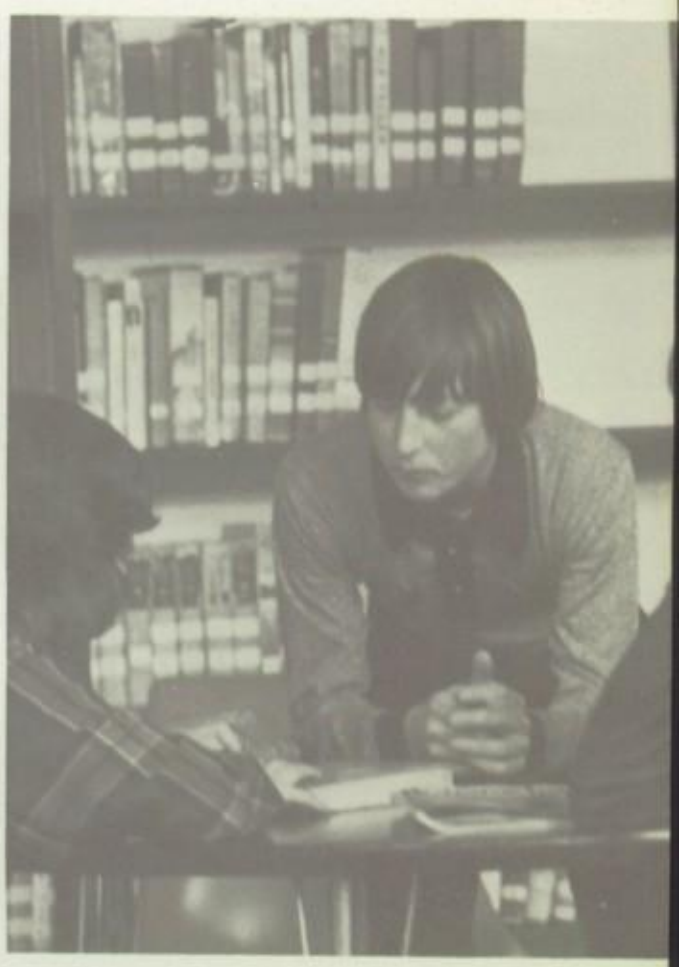
Would you believe that I just braided my fingers!

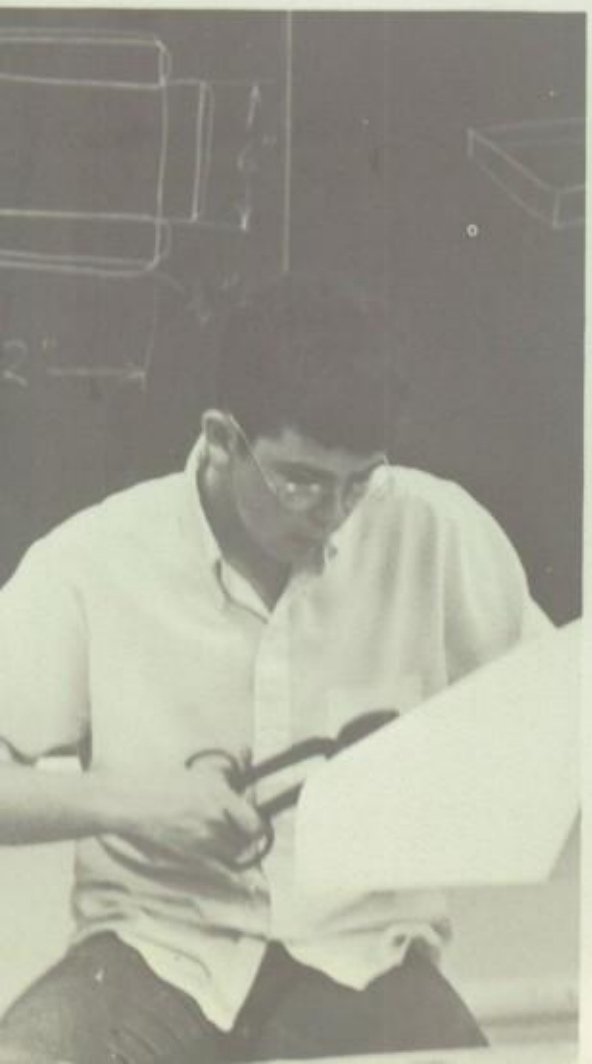
Excedrin headache number 3420!!



When we tax ourselves beyond our capabilities, life can be frustrating.

What will they all say when I tell them I've been fired from the A & P?





My Country tis of Thee. . .

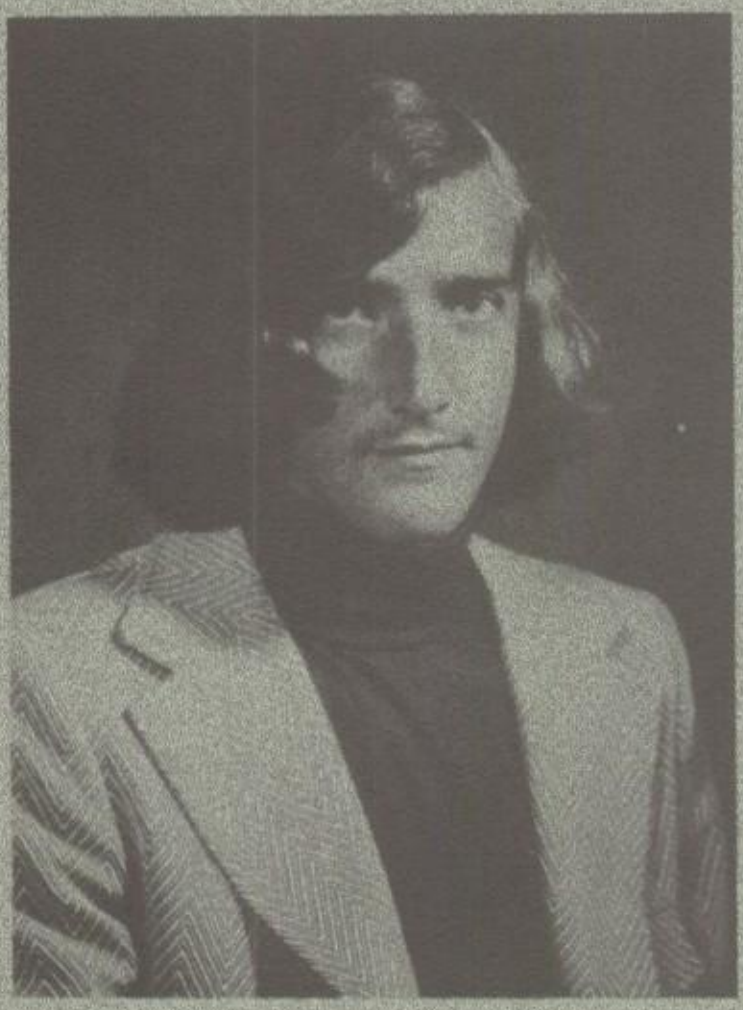
We, the yearbook staff of 1973-74 would like to dedicate this page of our yearbook to

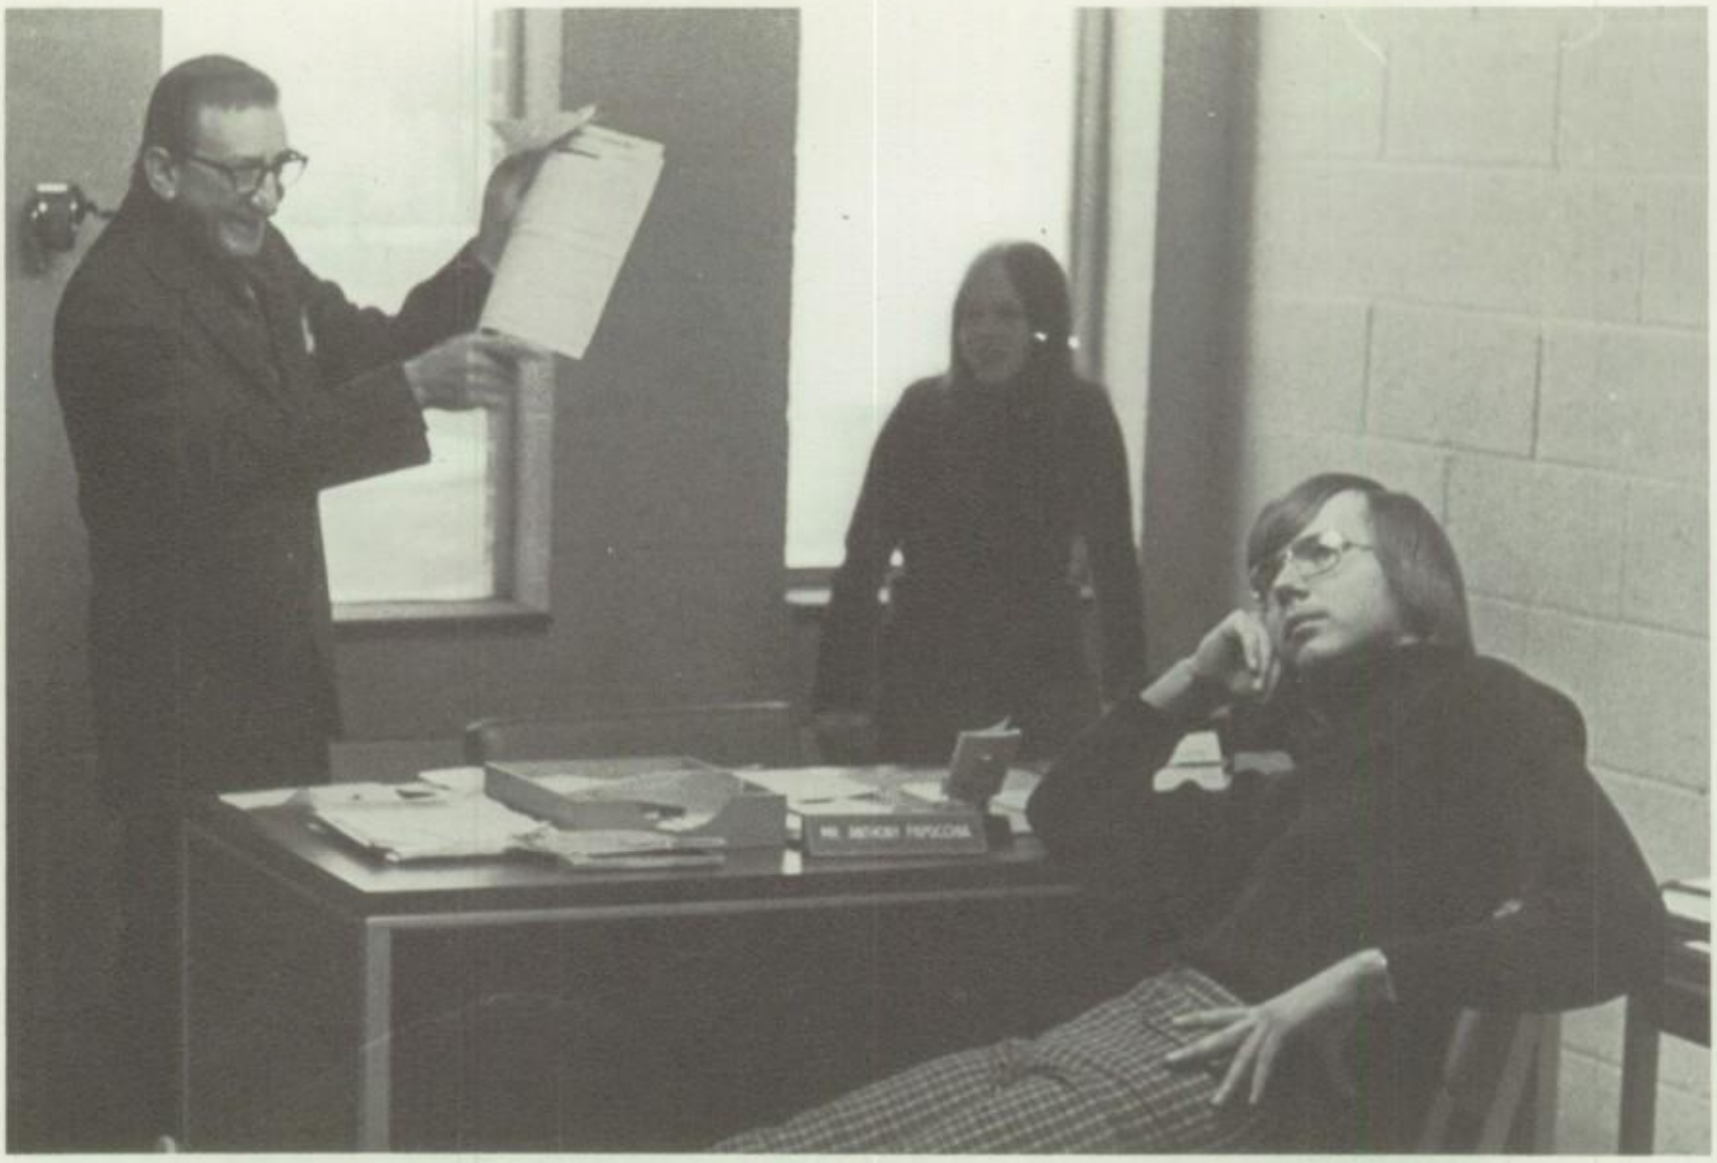
Ronald J. Lambert



1956-1974

It is often said that the death of one person will cause another to contemplate more thoroughly on life. But too often this is not fully understood until we experience such a tragedy close to us.

We have experienced a tragedy, one that cannot be releaved, only eased in time. Only the fondest memories will stay in our minds, for yesterday is but a memory and tomorrow is our today.



IN WORST WITH THE FACULTY
Sue Stangeland and Tom Dayson
"Tom, you're not being suspended this week—aren't you thrilled?"

Pat,
Well, another year is over. What a year it has been. Don't forget the memorable times we had in lunch. I won't mention any names about that certain person. Remember Remember all the talks we had your boy. I can't wait to get out of here. Just think next year is the end. Will take care and don't get any into trouble. Work hard and save your money, a good! Best wishes, Have a good summer!
